

English translation:

I have the lark that is fluttering,
I'll pluck her feathers.

We will [then] pluck off her foot.

Out her foot!

I have the lark that is fluttering,

I'll pluck her feathers.

We will [then] pluck off her leg.

Out her leg!

Out her foot!

I have the lark that is fluttering,

I'll pluck her feathers.

We will then pluck off her back.

Out her back!

Out her leg!

Out her foot!

I have the lark that is fluttering,

I'll pluck her feathers.

We will then pluck off her wings.

Out her wings!

Out her foot!

We will then pluck off her head.

Out her head!

Out her back!

Out her leg!

Out her foot!

I have the lark that is fluttering,

I'll pluck her feathers.
